About us

LuxeMED is a Melbourne based company that specialises in supplying Podiatry instruments within Australia. Our mission is to assist every Podiatrist in reaching their potential within their clinic.

Our Commitments

Communication

We want to get to know you, your staff and your clinic. This is reflected in our rapid response to inquiries, willingness to provide product demonstrations and our interest in the needs of your clinic

Turn Around Time

You're busy - we get that. You don't have time to be waiting on someone else to get your job done. In our commitment to rapid response and efficient communication we guarantee a quick response time, in your preferred contact method

Buyer Confidence

From product demonstrations to our 12 month manufacturer's warranty, we're committed to ensuring that you will have no reservations prior to purchase

Effort For You

We're excited to go the extra mile for you. If that means adding a tailor made product to our range just for you or getting your products to your door when you need it, we'll make it happen!

Customer Satisfaction

We're not happy until you are. From consulting with our in-house practising product specialist to ensuring your products arrive in pristine condition, we want you to be 100% satisfied with our service

Your Podiatry Instrument Solution

*"Luxury standards in Podiatry instrument quality
and customer service"*

About us

LuxeMED is a Melbourne based Podiatry instrument supply company supplying Podiatry instruments to Australia. Founded in 2018 by a practising Podiatrist, LuxeMED is continually expanding its range and investing in product development and market research to be able to supply the best instruments to Podiatrists.

Our people

Our friendly team consists of a practising Podiatrist, product development staff and sales support team members, all striving to help you achieve your goals within the clinic. Whether you need to arrange a product demonstration, have any inquiries regarding our range or would like to work with us, don't hesitate to get in touch today.

Our Mission

Our mission is to help Podiatrists be the best they can be. We strive to achieve this by supplying quality Podiatry instruments in combination with unprecedented support to Podiatrists throughout the procurement process. Clinical excellence starts with the quality of the instruments the clinician has at their disposal.
